

**The People's Choice BBQ Contest
Saturday, May 10, 2008 2 – 5 PM**

Limited to contestants registered in the KCBS Contest

The People's Choice BBQ Contest is a new addition to The MEET Blues Brews & BBQ Festival and gives the audience what they have been asking for – THE CHANCE TO TASTE THE CONTESTANTS BBQ! All teams registered for the Kingsford Master Cut State BBQ Championship are eligible to participate in the People's Choice Contest, as long as they meet all requirements of the Stanislaus County Environmental Health Department for temporary food service.

You will find the forms and the phone number to the EHD on this website. Simply – booths do have to be enclosed and have service windows to serve your samples. You have to have the ability to wash your dishes and your hands – and follow the guidelines provided by the EDH. We will sell sampling tickets through Save Mart CARES at six (6) samples for ten (\$10). For every ticket that you receive, you will be reimbursed one (\$1) dollar from Save Mart CARES at the end of the contest. We are also going to give each customer a voting ticket that will allow them to vote for the team they choose. In the event of a tie – the team with the most "voting tickets" will win.

So, fill out the forms on this web site and submit it to Save Mart CARES along with the filled out EDH forms. To enter the People's Choice Contest you must be registered for the KCBS Contest and meet all Health Department criteria no later than May 2, 2008, as we have to submit all applicants to the Health Department and pay all fees. If you have specific questions, please call Lindsey Palm at (209) 574-6276 or email Lindsey at lpalm@savemart.com. We look forward to seeing you in Modesto!
